Professional Summary

Motivated Computer Science Engineering student with strong skills in Java, frontend web development, and data structures & algorithms. Able to develop React and Node.js projects with AI-assisted tools, focusing on clean code and problem-solving.

Technical Skills

Languages: Java, C, Python (Basic)

Frontend: HTML, CSS, JavaScript, React.js

Databases: MySQL

Tools & Frameworks: VS Code, IntelliJ IDEA, Git, GitHub

Core Areas: OOPS | DSA | Problem Solving

Work Experience

Software Development Intern | GD Edu Tech | Jul 2025 - Present

- Built and deployed a personal portfolio website using React.js and CSS Variables to showcase projects and skills.
- Designed a responsive UI with reusable components, improving maintainability.
- Gained exposure to JavaScript fundamentals, currently applying it in building new projects.

Java Developer Intern | FutureIntern | Jan 2024 - Feb2024

- Completed console-based projects such as Guess the Number, Tic Tac Toe, and Calculator.
- Improved logical problem-solving skills by actively using methods and functions in Java.

Projects

Delearner - AICodeReviewer | 2025

- Developed an AI-powered code reviewer that explains code issues and provides one-click fixes.
- Added automatic analysis of time and space complexity for submitted code.

QuizCode - FrontendQuizApp | HTML,CSS,JavaScript | 2024

- Built a responsive web quiz app with multi-screen navigation and real-time score tracking.
- Implemented timer countdown, contextual feedback, and accessibility features using media queries.

Airline Management System | CSS,JavaScript,Handlebars(HBS) | 2024

- Built a web-based airline management system with user registration and unique ticket generation.
- Enabled returning users to book tickets seamlessly without re-registration.
- Implemented booking history feature for better user experience.

Certifications

- **Introduction to Computer Science (CS50)** – Harvard University (edX), Mar 2024
- **Java Programming** – Udemy (Instructor: Abdul Bari), 2024
- **Data Structures and Algorithms** – GeeksforGeeks, 2025

Education

B.E in Computer Science & Engineering | P A College of Engineering, Mangalore | 2022 –2026

CGPA: 8.08/10

Relevant Courses : DSA in Java , OOPS
